Dear Ms. Dortch:

On Thursday, Jan. 9, 2013, Mark Johnson of MCNC and the undersigned met with Eric Ralph, (Chief Economist), Elizabeth McIntyre, Jamie Susskind, Jack Erb, Ben Childers, and William Layton to discuss the special access data collection proceeding cited above. We discussed the purposes of the proceeding, the scope of the data collection requirements, and the expected timeline for implementation. MCNC discussed some of the difficulties it had experienced with obtaining collocation of new fiber facilities. We also discussed whether and how organizations that are not subject to the FCC's jurisdiction could voluntarily contribute information to the proceeding if they desired to do so.

Sincerely,
